Foot: Closed toe Open toe

Quantity (singles)

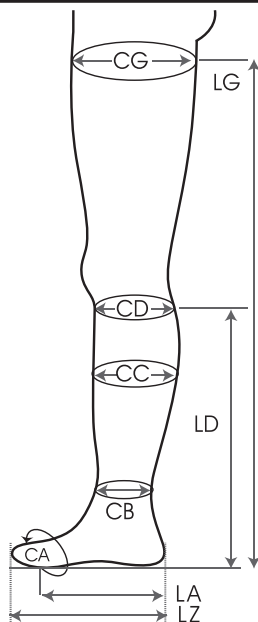

Left Leg: _____ Right Leg: _____
 Beige Black Beige Black

For below-knee stockings, measurements should be taken with the person seated, and feet flat on the floor. For thigh-length stockings also measure around the widest part of the thigh and from the heel to the buttock fold while the person is standing. If the person has a swollen leg, measurements should be taken first thing in the morning.¹

COMMENTS:

Altimed cannot be held responsible for incorrect measurements
